

INTERACTIVE KIOSK MODEL 32-MULTI

SELF SERVICE KIOSK!

Increase sales and reduce long line-ups

Streamline the ordering process with self-ordering kiosks

Payment kiosks are now established as a good way to face the major labor shortage in the Quick Service Restaurant (QSR) industry and make upselling way more effective. Nummax's self-service kiosks can be customized based on your requirements (receipt printing, payment processing or scanners for loyalty programs).

With 6 different configurations, Nummax self-ordering kiosks will fit optimally into your restaurant layout. Our kiosks are available with an ordering screen on a one or two sides.

EFFICIENT

Optimal return on investment with the ability to rapidly see the results of an effective marketing strategy. With digital signage, your messages will have a greater impact than ever before.

ECONOMICAL

Reduced marketing expenses thanks to the low cost production of unlimited content displayed. Optimize message performance with the tap of a finger.

ATTRACTIVE AND APPEALING

Powerful, responsive communication made possible through real-time broadcasting of messages.

SIMPLE, FLEXIBLE BROADCASTING

Nummax Manager, our content management software, allows you to schedule your content displayed from a distance in a matter of minutes. With dynamic messaging, pre-program content display times weeks in advance.
