

CONTENT MANAGEMENT SOFTWARE

NUMMAX MANAGER AIO

THE RIGHT MESSAGE, AT THE RIGHT PLACE, AT THE RIGHT TIME.

Dynamic Communication

Out with the old static message panels and in with the new dynamic digital signage! NUMMAX offers an effective multi-media solution that is flexible and economical, an attractive and long-lasting cutting-edge communication tool with many advantages! Our very intuitive content management software, Nummax Manager, allows you to upload and modify your displayed content on the fly, instantly grabbing your audience's attention. Optimizing client communication has never been so easy!

Enter the digital signage era with a Nummax, turnkey solution. We specialize in manufacturing, operating and installing all types of digital signage solutions. Nummax ensures outstanding quality and service thanks to our experienced and professional team, our powerful technology and reliable products.

Dynamic digital displays allow you to showcase your products, services and promotions, where you want, when you want!

SIMPLE, FLEXIBLE BROADCASTING

Nummax Manager, our content management software, allows you to schedule your content displayed from a distance in a matter of minutes. With dynamic messaging, pre-program content display times weeks in advance.

CONTEMPORARY

Enhance your organization's image with up-to-the minute communication and more effective campaigns, thanks to state-of-the art equipment and cutting-edge technology.

ECONOMICAL

Reduced marketing expenses thanks to the low-cost production of unlimited content displayed. Optimize message performance with the tap of a finger.

EFFICIENT

Optimal return on investment with the ability to rapidly see the results of an effective marketing strategy. With digital signage, your messages will have a greater impact than ever before.
