

INTERACTIVE KIOSK MODEL 55-B

AN EYE CATCHING WAY TO ADVERTISE AND COMMUNICATE.

A new way to interact with customers Communication

Currently a major trend, digital signage kiosks are an excellent way to capture people's attention and get your messages out. Consumers perform their own searches on a touch screen, automatically letting you know what they are interested in.

Digital kiosks have a positive impact on your brand image, presenting you as a modern, innovative business.

Simple, intuitive and fun to use, interactive kiosks provide real added value at a trade show or exhibit, in stores, or during promotional events in public spaces.

We have a range of evolving, competitive interactive kiosks to meet all of your interactive dynamic display requirements—both indoor and outdoor.

EFFICIENT

Optimal return on investment with the ability to rapidly see the results of an effective marketing strategy. With digital signage, your messages will have a greater impact than ever before.

ECONOMICAL

Reduced marketing expenses thanks to the low cost production of unlimited content displayed. Optimize message performance with the tap of a finger.

ATTRACTIVE AND APPEALING

Powerful, responsive communication made possible through real-time broadcasting of messages.

SIMPLE, FLEXIBLE BROADCASTING

Nummax Manager, our content management software, allows you to schedule your content displayed from a distance in a matter of minutes. With dynamic messaging, pre-program content display times weeks in advance.
